## February 2022

***Happy February from the Golf Shop.*** I hope you are enjoying a winter so far. Let's keep our fingers crossed for a mild and dry spring season. Before you know it, the golf course will be green, and we will be in full golf season mode. With that said, we expect the 2022 Golf Guide to be published during the first week of February. Please read it carefully as there are changes to events, handicap info, etc. within the golf guide. We will send an email when the golf guide is ready, in addition to publishing it on the club's website, and the ForeTees App.

If you have not done so already, please make sure that you have the following apps below downloaded on your portable device (if you need assistance with downloading any of these apps, or need help with login information, please contact the EBCC Golf Shop):

**Fore Tees** – Used for making tee times, dining reservations, viewing Golf Guide, event registration, and receiving push notifications.

**Golf Genius** – Used for event and league registration, live scoring, viewing results, and pairings.

**My CDGA** – Used for posting daily scores, and viewing your most recent handicap revision.

### **Club Fitting & Lessons**

Fitting products for 2022 from Callaway & Taylormade are now in stock. Schedule your time to be fitted for the new Rogue ST & Stealth lines! Fittings will be done indoors, utilizing our state of the art FlightScope Launch Monitor.

Winter lessons are a great way to knock of the rust and make 2022 your best golf season yet on the course! Packages and discounts are available for the winter lesson season.

Any remaining lessons may be carried over to outdoors during the regular Golf Season. Please contact Steve Bork or David Krzepicki if interested in lessons and/or club fittings.

**2022 Becker & Kolbe Registration begins on Saturday, March 5<sup>th</sup> !**
