MAY EVENTS

Be on the lookout for more
upcoming events in June!

May Golf

April certainly lived up to the moniker “April Showers” – let’s hope a warmer, sunnier May is to follow. As we transition towards the summer season, please take note of a few items of interest, for which we thank you in advance for your cooperation.

Each fairway approach now has a short white stick with a blue top on each side of the fairway as you approach the green. This new marker is designed to designate where cart traffic must return to the path alongside the greens. Please adhere this policy, and do not drive carts past these posts.

Newly planted fescue areas are beginning to bloom and will be an amazing aesthetic addition to the course. In order to preserve these areas during the grow-in phase, do not enter these areas under any circumstance. If your ball were to find one of these areas, a drop shall be taken at your nearest point of relief, no closer to the hole without any penalty.

New merchandise continues to roll in to the Golf Shop daily, and we have some great pieces for men, ladies and juniors alike. As we continue to see supply chain issues, we appreciate everyone’s patience with having the product that you’re looking for. Your support of the Golf Shop is always appreciated!

Hoping for a warm, dry and golf-filled May!

Couples' 9 & Wines

The Couples' 9 & Wine Events are some of our most fun, laid back evenings of golf and camaraderie we have to offer. Due to the slow start to the season and chilly weather, we will forgo the May 6th date originally published in the Golf Guide. For 2022, we would like to add a theme to each event, and encourage couples to "dress the part" and make the party extra special and unique! Each event we will also award prizes to the couple that is best-dressed to our corresponding theme. Please see below for our list of dates for the 2022 season and corresponding themes:

June 17th – "America" Theme

August 12th – "College" Theme

September 9th – "Caddyshack" Theme

We will look to add another event date in the fall as the weather & schedule permits!!

From the Maintenance Team

As we transition into the regular season, please make sure to repair all ball marks, fill divots and drive carts in appropriate areas.

These little actions and others can make a huge difference to the overall playability of the course. Proper course care will lead to enhanced conditioning through the entire season.

Thank you,

EBCC Maintenance Team
