December Golf

On behalf of the Golf Professional Staff, we wish you and your family a very happy and safe holiday season. Thank you for all of the support you have shown to us throughout the 2022 season. We are looking forward to a GREAT 2023!

We want to help you with your holiday shopping this year, but time is of the essence! The EBCC Golf Shop has a large selection of merchandise. We also have some great stocking stuffers to fill those stockings. If you need any ideas for the golfer on your list, we would be happy to offer suggestions.

Remember that Golf Shop Gift Certificates or golf lesson packages make great presents! Contact the EBCC Golf Shop for more info.

Important Reminders: For those of you who have credit book winnings from the 2022 season, winnings do not rollover to the 2023 golf season. Please make sure to use any remaining golf shop credits.

Course Update

Our course renovation project has gone extraordinarily well, and the results are even better than what we could have imagined. This tireless work is so greatly appreciated by all and we would like to thank not only the team of workers whose expeditious work ensured a timely re-opening of all course features in early 2023, but a few key individuals who made this project so successful:

Course Architect

Jason Straka

SVP Construction, Arcis Golf

Ed Easley

Golf Course Superintendent

Craig Kight

Closing Dates

As we turn to the page towards 2023, the golf facilities will have the following restrictions as of December 6th:

Driving Range Closed

Front Nine Closed

Back Nine will be Walking Only

December Golf

Indoor Golf Practice Facility

Eagle Brook CC has an indoor golf practice area available for our Members' use during the winter months.

Our practice area will be available shortly and will be open for use during regular Golf Shop hours.

There are many advantages to working on your game during the off-season. Golfers can work on swing fundamentals, rather than watching the result of the golf ball. Three individual hitting stations, along with a putting practice area, will help to keep you sharp in the off season.

For those of you needing a little more help on your game, we will be offering private instruction. Taking swing changes to the golf course can be a very difficult thing to deal with. Golfers will have enough time to get comfortable with any adjustments before playing next season. You will be able to easily monitor adjustments and the resulting improvements with the use of our FlightScope launch monitor during lessons.

For more information about lessons during the off-season, call or email
