Tip of the Month:

EAGLE BROOK
Country Club

In stroke play, John plays his ball from a greenside bunker onto the green, where it ends up in Mike's putting line. Mike marks John's ball and places it nearby on the green. John, unaware that his ball was marked and moved, putts the ball from where it lies and holes out. What is the ruling?

Since John did not know that Mike lifted his ball, John is not penalized (Decision 15-3/3). If John becomes aware of the mistake before playing from the next tee, he is required to replace his ball on the correct spot, without penalty, and complete the hole. If he learns of the mistake after playing from the next tee, his score stands and there is no penalty.

PARKING

All Members must drive and park motor vehicles in accordance with applicable laws and posted regulations. Members drive and park their motor vehicles at the Club at their own risk. The Owner of the Club, Club Management and their employees and agents are hereby held harmless against and are not responsible for, any loss or damage to Member motor vehicles or any contents thereof while being driven or parked at the Club. Parking is permitted only in designated areas. Overnight parking is prohibited.

LETTER FROM THE GROUNDS & GREENS COMMITTEE

As the year ends for the various Committees within the Club, our Committee wanted to provide some news and updates regarding the activity of the Committee over the past few months:

1. Tree Tournament – The Tree Tournament in June saw a very healthy turnout and a gorgeous day for golf. We were able to raise thousands of dollars in additional funding to purchase and plant trees in place of the hundreds of trees that have been lost on the golf course. The Committee is in the process of reviewing quotes with a focus this year on the planting of larger evergreens. This will help with screening where we have lost large trees along the border of our course. Special thanks go to Committee Member Bill Henkelman for consistently bringing his expertise on this issue to the Committee.
2. Divot Nights – If you have not attended one of these in the past, put one on your calendar for 2018 and you won't be disappointed! We had four Divot Nights this year, and I am happy to say that the Divot Nights have become something of an event, especially for our younger families. The August Divot Night established record participation which required several return trips to the pizza parlor to feed our hungry troops. Sincere thanks to all of you who participated in one or more of our Divot Nights over the past year. These events are intended to insure that the course is in top condition prior to our major golf events of the season and with your assistance we have been able to do just that.
3. 2016-17 Grounds & Greens Committee – I would like to thank the Members of the Committee over the past year who have given of their time towards the improvement of our golf course and surrounding grounds. The Committee this year included the following individuals: Mr. Steve Collins, Mr. Bill Henkelman, Mr. Tim Allesee, Mr. Daniel J. Murphy, Tom Ryder, Joel Speckman and Ms. Kathy Henry.
4. WE NEED YOU! – We are losing two members from the Committee as their terms have expired. If you have ever been interested in the workings behind the golf course, or you just have an interest in seeing our fine course get even better, please consider joining our Committee. We do currently have several spots available. If you are interested please contact me at the e-mail address set forth below.
5. And Finally, to Craig and his Crew... – While the golf season in 2016 was marked by extreme heat and wet conditions the 2017 season had its own difficulties, with substantial early rain and of late, no rain at all. Through it all Craig and his staff have kept a steady hand on the rudder and presented what I believe is one of the best golf courses in the area, which remains in excellent condition. Everyone is aware of the need for improvement of the bunkers, but please bear in mind that the bunker situation requires a significant capital infusion and has very little to do with the day-to-day maintenance of the course. It has been my pleasure and that of the Committee to work with Craig, Josh Jackson (his worthy first assistant) and members of his crew over the past year. If you see Craig and Josh around the Club please relay your regards and thanks for a job well done.

I can assure you that they care about Eagle Brook very much and we are fortunate to have them. Despite the end of the Committee year I, for one, am hoping that we can all get in many more rounds before the snow flies. As always, please let me know if you have questions or there is anything you would like the Committee to address.

Best regards,
Doug Cuscaden, Chair
Grounds & Greens Committee
