USGA Rules shall govern all play except where modified by local rules.

- Play **ready golf** and be prepared to play **18 holes in less than 4 hours and 10 minutes**. Slower groups are urged to give way to faster play.
- Help maintain the excellent conditions of our course - we ask all players to repair their ball marks on our greens and to fill your divots with sand mixture before moving on to your next shot.
- Return golf carts to the path when 50 yards from the green. Carts must remain on the path at all times during our par 3 holes, around tee boxes, and around the greens.
- Individual golfers are responsible for damage done to the course, homeowner's property, and golf carts.

Water Hazards & Lateral Water Hazards are defined by either yellow or red stakes and/or lines. In the absence of lines, the margin of the hazard is defined by the uncut grass surrounding the hazard.

Out of Bounds is defined by white stakes, lines, and/or all roadways and beyond.

Wetland and Environmentally Sensitive Areas are defined by red stakes with a green cap and are treated as lateral water hazards. There is **NO PLAY FROM** or **ENTRY INTO THESE AREAS**.

Do not lift the center up

Please repair ball marks.

Insert tool and push sides of ball mark towards center. Gently tap surface down with putter.
