A Message from Accounting

Eagle Brook has rolled out a new button allowing members to update their ACH or Credit Card in the system for EZPAY.

Next to online statements, there is a new button “Update Autopay”. Once the member clicks that button it will allow them to update their Bank Account or Credit Card Information.

While this button allows for the update, it will **NOT** automatically run the payment.

Please call or send me an email to advise of the change so your payment can be run promptly, and your account stays in good standing!

Thank you,

Dolly Schmitz
