# June Golf

## From the Golf Shop

To the Membership,

As we transition to the heart of the summer, let's collectively hope for a drier stretch of weather so we can all get out and play more golf!

We would also like to extend a big thank you to everyone for their patience and understanding during our range enhancement project.

We are pleased to announce that the grass tee will open for the Men's Member-Member event and then Friday-Sunday the remainder of the season.

June is one of the best months in terms of our golf calendar. We host some of our premier Member events of the season – and of course Junior Golf commences. We are excited to continue to grow the game through our youth programs.

Looking forward to a great month and the official start of summer!

# June Golf

## Course Care

As play increases, please take note and utilize the following practices to make ensure the course is in excellent shape the entire season:

- 1) Repair your ball marks on putting surfaces (see below).
- 2) Please repair all divots in fairways using the provided sand and seed bottles.
- 3) Please keep all carts out of all native and fescue areas.
- 4) Please return to the cart path when you approach greens, as indicated by the white posts with the blue tops.

## How To Repair a Ball Mark

A few extra seconds is all it takes to keep the putting greens looking and playing their best.

### CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

### PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark.

### WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

### FINAL TOUCH

Use your putter to lightly tap down the mark. Fix other marks in addition to yours.
