Manager's Message

The Holiday Season will be here before we know it!

The holiday season brings thoughts of thanks to those who have made our lives a bit more pleasant. Each dedicated staff member at Eagle Brook Country Club, including those behind the scenes, take pride in the quality of service he or she provides for you. It is an established tradition here at Eagle Brook Country Club that during the holiday season each member is given the opportunity to show their appreciation to the entire club staff (excluding managers) for services rendered throughout the year.

Your October statement will reflect an optional contribution of \$50.00, which goes toward the Club's employee holiday fund. This gift is greatly appreciated by the entire team of dedicated staff.

If you prefer not to give or if you have been extremely pleased with the club's staff and wish to contribute a larger amount, you are more than welcome to email Dolly Schmitz at dschmitz@eaglebrookclub.com.

If the \$50.00 contribution is satisfactory, no response is necessary. We will present your gift during the holiday season.

May peace and joy be yours during this holiday season and throughout the coming year.

Sincerely,

Alex Evans
General Manager

November Golf

To the Membership –

Thank you for making 2022 a successful golf season! The game of golf is in a great and exciting place as we move into the offseason, 2023 and beyond! As we squeeze in our last rounds for 2022, and head into the Holiday season, please stop by and see us in the Golf Shop. We have great gifts for every member of the family!

Have a great month & Thanksgiving,

EBCC Golf Staff

CDGA Handicap Info

The Season officially ended **October 31. (This is the final day for accepting scores)** To clarify, while the Handicap Index will revise year round, the season for posting scores will be April 1 to October 31. Any rounds played in our District during the months of November through March are NOT to be posted for handicap purposes. **However, if rounds are played in areas of the country that are in season, they are to be posted.**

2023 EBCC Golf Events Schedule

The EBCC Golf Committee will be working to finalize the dates for 2023 Golf events. As soon as the dates are confirmed, we will send an email so you can plan accordingly.

IMPORTANT REMINDERS:

Bunker Update

The bunker renovation has progressed at an impressive speed, and is nearing completion for the 2022 season. The new bunkers will transform our course both visually and from a playability perspective in a tremendously great way! As tempting as it may be play from these beautiful bunkers, there shall be no play from the bunkers and surrounding areas the remainder of the season.

The sodded areas around the bunkers still need time to take root and strengthen before we can use the bunkers. When the traps are ready in 2023 we will communicate this accordingly. Thank you for your patience and cooperation to ensure the successful completion of our project!

Keep your Golf Swing in the groove this offseason

As most of you know, Eagle Brook has an indoor golf practice area during the winter months. We expect to have the indoor hitting bays set up by late November/early December (weather and golf cart storage depending). We will email everyone when the indoor nets are ready.

There are many advantages to working on your game during the off-season. Golfers can work on swing fundamentals, rather than watching the result of the golf ball. Individual hitting bays, heated, will help keep you sharp in the off-season. Stop by and check out our indoor golf practice area, located in the Cart Barn.

For those of you desiring a little more help on your game, we do offer private instruction during the winter months. Taking swing changes to the golf course can be a very difficult thing to deal with. Golfers will have enough time to get comfortable with any adjustments before playing next season.

For more information about lessons during the off-season, please call or email Steve or David.
